Vivado Design Suite - HLx Editions - 2020.1 Full Product Installation

Important Information

Vivado Design Suite 2020.1 is now available:

- Ability to select the full image or selected products as part of Web installer
- Address map enhancements provide Realtime error highlighting and cross probing
- Nested DFX further extends the flexibility of DFX solutions
- Report QoR Suggestions predicts up to 3 custom strategies for improved performance
- Power Rail based reporting now available

We **strongly recommend** to use the web installers as it reduces download time and saves significant disk space.

Please see [Installer Information](#) for details.

Note:

- Download verification is only supported with Google Chrome and Microsoft Internet Explorer web browsers.
- Beginning this release, the Single File Download and the Webinstaller supports all products. Vivado Lab Solutions and Document Navigator are included in both the Single File Download and Webinstaller packages.
